Affiliations:

Member of SOB (Special Olympics Bharat) under Chairperson Dr. Mallika Nadda.

Professional Overview:

With over 31 years of experience, I am an accomplished entrepreneur committed to advancing education and social welfare. My work spans various fields, including technology, education, politics, and corporate social responsibility.

Key Contributions:

- **I joined Akhil Bharatiya Vidyarthi Parishad (ABVP) and contested election for joint secretary 1985-86**

- **Political and Union Involvement:**

I have had the privilege of working with distinguished political leaders such as Dr. Sahib Singh Verma, Sh. Vijay Goel, Sh. Satish Uppadhyay, and Ashish Sood, contributing to their electoral campaigns.

- **Leadership in BJP (Delhi):**

I have served as the co-convener of the Budhijeevi Prakoshth and Prabhari of Chandani Chowk Lok Sabha, contributing to the BJP's success in Delhi.

- **Social Upliftment through Education:**

I have focused on empowering students from lower and lower-middle-class backgrounds by providing access to computer education, thereby equipping them with valuable skills for the job market.

- **Rural Development:**

I have worked towards the development of rural areas through the establishment of an engineering college that offers national-standard technical education to underserved communities.

- **Religious and Social Activities:**

I actively promote Indian cultural values and engage in various social initiatives that contribute to the country's growth and development.

- **Corporate Social Responsibility:**

I am committed to corporate social responsibility initiatives, including water quality checks in neighboring villages, supporting the Clean India campaign, motivating uneducated children to attend school, and providing free computer education and meals to the underprivileged.

Professional Journey and Vision:

Starting as a first-generation entrepreneur, I have spent over 31 years shaping the IT education landscape. Under my leadership, DICS Technologies Ltd. has grown to operate over 20 centers across Delhi, with more than 2 million graduates, many of whom have secured stable employment. DICS is renowned for its excellence, particularly in student placements, where I have prioritized equipping students with both technical and interpersonal skills for career success.

Awards and Recognitions:

My work and contributions have been recognized through numerous prestigious awards, including:

- **Assocham National Education Award -** 2015 & 2016 for Best Engineering College in North India
- **Best Engineering College in Delhi-NCR Award** from the Asia Education Summit 2015, presented by Hon'ble Mr. Abhinav Singh Bindra (Indian Shooter)

- **AIAF Shiksha Bharti Puraskar** for outstanding contributions to national development, received from Sardar Joginder Singh, Former Director of CBI, at the 61st National Seminar of the All India Achievers Foundation

Mission Statement:

My mission is to create an inclusive educational environment where technology empowers individuals and prepares them for success in the ever-evolving job market. I am dedicated to continually improving the quality of education and fostering innovation to ensure that future generations of leaders are equipped with the necessary skills to thrive in an increasingly competitive world.

Conclusion:

My career is a testament to the power of entrepreneurship, dedication, and social responsibility. Through my efforts, I have had the honor of transforming lives, creating opportunities, and building a lasting legacy in both education and corporate social responsibility. I remain committed to contributing to the advancement of education and technology, as well as to the betterment of society as a whole.
